

## English

In English this term we are learning to write to entertain and explain.

### Poetry:

Costal poetry

### Adventure narrative:

We will be writing an exciting, adventure narrative all about Grace Darling and her heroic tales.

### Instruction writing:

We will be writing a set of instructions on how to be a good friend.

### Reading skills and Story focus:

## Science

### Use of Materials

This project teaches children about the uses of everyday materials and how materials' properties make them suitable or unsuitable for specific purposes. They begin to explore how materials can be changed.

## PE

IMove - They will be practicing their agility, jumping, skipping and hurdle skills. As well as doing cheer and flamenco dancing!

## Geography

### Geography

In the Coastline project, your child will use maps to learn about the location of the world's seas and oceans and keys to learn about map symbols. They will also find out about the directions on a compass. They will learn about the human and physical features of a coastline, including the effects of erosion and how to stay safe when visiting the coast. They will have the opportunity to learn about the work of the RNLI, what happened to the SS Rohilla and about the coastal town of Whitby, including how Captain Cook is linked to the town. They will research the tourism industry and consider what features make a place a successful tourist destination.

## RE

### Discovery RE

Our focus will be on Christianity. We will be looking at different stories about Jesus and how he was a good friend.

Autumn 2 - 2024  
Acorns  
Year 1 and 2  
*Coastlines*

## PSHRE

### JIGSAW - Dreams and Goals

## Art and Design Technology

### DT - Beach huts

This project teaches children about making and strengthening structures, including different ways of joining materials.

They will learn that beach huts are usually built from wood. They have a door, a window and a roof. Some beach huts have steps up to the door with a handrail and a balcony area to sit on.

## Maths

We follow White Rose Maths.  
This term we will be learning:

- Addition and subtraction (within 100)
- Multiplication and division

We will also be recapping on previous lesson such as Place Value within 20, 2D and 3D shapes.

## Music

### Grandma Rap!

This unit explores beat and rhythm work using crotchets and quavers. Beginning with on-the-spot actions, followed by stepping the durations, stick notation is introduced and pupils go on to create their own 4-beat patterns, which they will loop creating an accompaniment to perform the rap to.
