

English

In English this term we are learning to write to entertain, inform and argue.

Narrative:

We will be writing our own pirate adventure tale!

Non-chronological report:

We will be writing an informative report on Whitby beach.

Persuasive poster:

We will be writing poster to encourage people to keep the beaches tidy.

Reading skills and Story focus:

Science

Plant Survival

This project teaches children about the growth of plants from seeds and bulbs. They observe the growth of plants firsthand, recording changes over time and identifying what plants need to grow and stay healthy.

PE

IMove - They will be practicing their ball throwing, passing, striking and defending skills. They will also be doing gymnastics.

Geography

Geography

In the Coastline project, your child will use maps to learn about the location of the world's seas and oceans and keys to learn about map symbols. They will also find out about the directions on a compass. They will learn about the human and physical features of a coastline, including the effects of erosion and how to stay safe when visiting the coast. They will have the opportunity to learn about the work of the RNLI, what happened to the SS Rohilla and about the coastal town of Whitby, including how Captain Cook is linked to the town. They will research the tourism industry and consider what features make a place a successful tourist destination.

RE

Discovery RE

We will be looking at the Easter Story. The main focus will be on the arrival of Jesus to Jerusalem and how he was celebrated.

Spring 2 - 2025
Acorns
Year 1 and 2

Coastlines

PSHRE

JIGSAW - Healthy Me

Maths

We follow White Rose Maths.
This term we will be learning:

- Multiplication and division
- Length and height
- Statistics

We will also be recapping on previous lesson such as addition and subtraction within 100.

Music

Rockpool Rock

This unit explores an upbeat song making a real splash, with a spoken second part and rippling blue notes. This song and unit provide an opportunity to create an end of year 'rockpool inspired' performance, combining singing, playing, and dancing.

Art and Design Technology

Art and Design - Flower head

This project teaches children about the visual elements of flowers, including shape, texture, colour, pattern and form. They also explore various artistic methods, including drawing, printmaking and 3-D forms, using paper and clay.
