Reading skills and Story focus:

Science

Animal Survival

This project teaches children about growth in animals by exploring the life cycles of some familiar animals. They build on learning about the survival of humans by identifying the basic needs of animals for survival, including food, water, air and shelter.

PE

IMove - They will be practicing racket skills. To apply Agility, Balance and Coordination in a range of activities, and in increasingly challenging situations.

History

In the Magnificent Monarchs project, your child will learn about English and British monarchs from AD 871 to the present day and consider how the power of the monarchy has changed over time. They will study six significant sovereigns; Alfred the Great, William the Conqueror, Henry VIII, Elizabeth I, Queen Victoria and Elizabeth II. Finally, they will choose which of the sovereigns that they have studied is the most significant.

Music

Swing-a-long with Shostakovich

Acorns will sing, swing, and sway their way through this unit on metre! Along the way, they will feel patterns of beats in their bodies, swinging in time with a partner and marking the beat using simple body percussion patterns.

Art and Design Technology

Art and Design – Portraits and Poses

This project teaches children about portraiture. They analyse the portraits of Tudor monarchs and compare Tudor portraits and selfies today. They use photo editing software to create royal portraits.
